VALUE PLUS 

DOMINO

Introducing **DOMINO-Lite**

Many of you have older Ferag conveyor systems and are facing the ongoing tasks of routine preventive maintenance, corrective maintenance, troubleshooting, gripper cleaning, operator training and more...all with limited budgets and depleted resources.

This new service program is designed for you! Here's what you get:

- A Ferag technician for two weeks on-site **for the price of one.**
- Annual agreement with twelve convenient monthly payments of **\$975.00**
- Flexible scheduling: (2) one-week blocks or (1) two-week block.
- Use the time for anything you need...training, audits, cleaning, troubleshooting, routine or corrective maintenance, or any combination of these services.
- On-site **Part Cart** with a 10% discount on spare parts required to fix problems during the visit.
- Emergency and non emergency technical support.
- Piece of mind for one low monthly payment!
